

Every Sunday morning at 8:30 and 10 am, our SJKids engage in hands-on learning and collaborative play using our bible-based curriculum, from Orange!

Our lessons are tailored for age groups 0-5th grade. We offer a thoughtfully prepared learning environment that helps our children grow socially, emotionally, and cognitively, in a gospel saturated church.

We partner intimately with parents to create an experience that reaches beyond our church walls.

We set the foundation for a lifetime of love for Jesus and each other.
